Introduction

We introduce ourselves as one of the prime Interior Decorators in Thane. We are into this creative field for the last 20 years. We take on any interior job as a new challenge and specialize in low cost, graceful & functional concepts which are speedy & time bound.

We strive to meet customer expectations.

We are for the first time introducing a new **concept of decorating your walls with our imported wallpapers**, surprisingly at the cost of paint. So get ready to decorate your complete flat with our imported wall papers, in just *24 hrs*.

Wallpapers are highly durable than wall paint. The features of wallpapers are below.

- Wallpapers don't fade.
- Wallpapers are stain resistant.
- Wallpapers provide good thermal insulation.
- Wallpapers reduce noise level & echo effect.
- Wallpapers are sponge washable.
-

So all the above features provide a ever new look to the walls.
